

RECREATIONAL  
BOATING & FISHING  
FOUNDATION

Organization Name: \_\_\_\_\_ Tracking #: \_\_\_\_\_

**Application Score Sheet**

These criteria will be used by the RBFF Education Task Force to evaluate National Youth Fishing & Boating Initiative applications.

**Organizational Background and Qualifications (10 points)**

Criterion	Yes (5)	Somewhat (4-1)	Not at all (0)
The applicant organization and/or its partners are experienced and well-qualified to work with this audience.			
The applicant organization and/or its partners have appropriate expertise and management plan to conduct this project; project description provides a clear overview of the project.			

Reviewer comments on Organizational Qualifications:

**Project Objectives, Goals and Assessments (30 points)**

Criterion	Yes (5)	Somewhat (4-1)	Not at all (0)
The program introduces angling and/or boating to youth and/or families. (Special consideration for programs that foster multi-generational participation).			
The program is inclusive of 20% minority or underserved populations.			
The objectives define specifically who will benefit and what will be learned.			
The objectives are measurable.			
The assessments describe the success indicators, tools being used to measure, methods for analyzing the data and who will be conducting the assessments.			
The program proposal clearly shows an achievable plan to sustain program beyond grant funding period.

**Recreational Boating & Fishing Foundation  
Application Score Sheet**

---

**Project Activities and Timeline (30 points)**

Criterion	Yes (5)	Somewhat (4-1)	Not at all (0)
The project activities provide multiple hands-on on water learning opportunities, and teach and reinforce water safety and safe boating behaviors.			
The project promotes conservation education and includes at least one conservation activity that actively engages participants in a hands-on activity.			
The project activities are specific and the sequence of activities is appropriate.			
The project activities are appropriate for meeting the stated project objectives.			
The project activities are tailored to the interests and abilities of the targeted audience.			
The project provides adequate screening, selection and training of staff, instructors and/or volunteers (including criminal background check).

**Budget (30points)**

Criterion	Yes (5)	Somewhat (4-1)	Not at all (0)
The budget spreadsheet and narrative clearly explain all expenditures to be funded by the National Youth Fishing & Boating Initiative.			
The budget is appropriate for this type of project.			
Administrative costs are reasonable as a proportion of the overall budget. (In general, administrative costs should not exceed 17% of the sub-total budget for this project.)			
The budget table and narrative clearly shows the subtotal program cost and revenue sources.			
The cost per participant is clearly detailed.			
The requested funding amount meets grant guidelines and is deemed sufficient to complete the scope of work as detailed in the proposal.
